October 20, 2016

Mr. Songhang Chen
Chinese Academy of Sciences
No. 95 Zhongguancun East Road, Haidian District, Beijing 100190, P.R. China
100190 Beijing
China

Dear Mr. Songhang Chen,

On behalf of the Organizing and Program Committees, it gives me great pleasure to invite you to participate in the 2016 IEEE Intelligent Transportation Systems Conference (ITSC 2016), which will be held at the Convention Center of Windsor Oceanico in Rio de Janeiro, Brazil, November 2 through 4, 2016. The conference will be preceded by technical workshops on Tuesday, November 1, 2016.

The IEEE Intelligent Transportation Systems Conference is the annual flagship conference of the IEEE Intelligent Transportation Systems Society (ITSS). ITSC 2016 considers the field of Intelligent Transportation Systems, dealing with new developments in theory, analytical and numerical simulation and modeling, experimentation, demonstration, advanced deployment and case studies, results of laboratory or field operational tests, under the general theme of Intelligent Transportation for Smarter Societies. ITSC 2016 is organized by the Faculdade de Engenharia da Universidade do Porto (FEUP) and Instituto de Ciências Matemáticas da Universidade de São Paulo (ICMC/USP). The 2016 edition will be the first time the meeting has been brought to South America.

Your paper submitted to ITSC 2016 has been accepted for presentation by the conference. As indicated in the notification letter sent to you about your paper’s acceptance, at least one author of your paper must attend the conference to present your paper. We hope that you will participate in this scientific meeting and help to make it a memorable event.

Acceptance of your paper for presentation does not, in any way, financially oblige either ITSC 2016 or IEEE ITSS for the expenses incurred by you to travel and attend the conference. Please also note that no fees will be payable arising from this invitation nor will you receive any compensation or income for participation. If you have any questions, please contact me.

Thank you in advance for your participation. I look forward to seeing you in Rio de Janeiro.

Sincerely,

Rosaldo Rossetti
University of Porto, Portugal
General Chair

Denis Wolf
University of Sao Paulo, Brazil
Program Chair

Accepted Paper details:

Songhang Chen, fenghua zhu, Fei-Yue Wang, "An Erlang-Based Simulation Approach of Artificial Transportation Systems." Scheduled for presentation on Tuesday November 1, 2016, 09:00-10:30 hrs.
